

About Globsyn Business School

Today Globsyn Business School (GBS) has uniquely positioned itself as India's only 'Corporate B-School', drawing from the strength and diversity of the fast evolving global corporate world. The new economy background of the school makes it one of the most forward thinking institutions in India today. With an edifice built on Innovation, Research and Technology, Globsyn is well on its path to create a globally networked, corporate savvy, research-driven management education system which moves beyond traditional forms of management knowledge dissemination to a research based delivery framework to create 'Industry Relevant Managers' – an agile group of professionals equipped to operate in today's technology-driven business environment. As a result of that over the years, more than 360 organisations have absorbed our students, both during final placement and summer internship. Our students have earned rich accolades for their achievements and a large number of them are star performers within their organisations.

Globsyn Business School's two-year full-time Post Graduate Diploma in Management (PGDM) is approved by AICTE. The B-School has received many accolades from the education fraternity from time to time and has been ranked among the Top 5 B-Schools in Eastern India along with IIM-Calcutta, XLRI-Jamshedpur, XIM-Bhubaneswar and IIT-Kharagpur (VGSM) as per Business India's Best B-Schools Survey 2019.

Globsyn Business School believes in learning 'Beyond Education', where students are exposed to various out of classroom activities involving running virtual organizations, building business ideas, elderly care, specially-abled care, underprivileged education, conducting healthcare camps and other myriad of social activities. GBS spreads the concept of 'Beyond Education' among its stakeholders - students, alumni, academicians, corporates through elements like Globsyn Annual Lecture Series, Globsyn Management Conference, Globsyn Alumni Engage, Serendipity, Embryon and Kalyani Youth Leadership Forum (KYLF).

Globsyn Business School's 'Care for Society' initiative, done by the students of the B-School under the Beyond Education vertical of KYLF, is recognized by AICTE as a 'Best Practices' nationally by approved institutions in India, and has been mentioned in AICTE's Best Practices bulletin.
