

PLACEMENT

The Corporate Relationship Program (CRP) has always been an intrinsic part of Globsyn Business School (GBS) and seeks to construct alliances that resonate with the industry, the business school and the student community. Through unrelenting efforts at the macro and micro levels, the CRP team has been successful in providing meaningful, lucrative, career-defining jobs to 3000+ GBS students over the years which have come about through the 350+ relationships built with corporate entities who continue to find merit in hiring GBS students.

In the last academic year, over 60 national and international corporates like Amazon, RBI, Parle, Amul, Nestle India and a host of others have visited the School's campus for recruitment. In 2018, GBS boasted of a 100% succession rate in its Campus Recruitment Programme and Summer Internship Programme, with at least 10 recruitment opportunities being offered to every student during their final placements.

Campus placement in last three years
